Dear Professor Goldziher,

Many thanks for your
card. I hope to send you a proof of
your article in the Bronner Festschrift before
long. Half the volume is now in type, but
the articles are not being printed in alpha-
betical order - for some reason which I have
not yet discovered. Copies of my "Islamic
Mysticism" have been sent for review to the ZDMG.
& Der Islam, so you may have an opportunity of
reviewing it. A notice from your hand would give me
the greatest pleasure. With kind regards, Yours sincerely
R. A. Nicholson.
